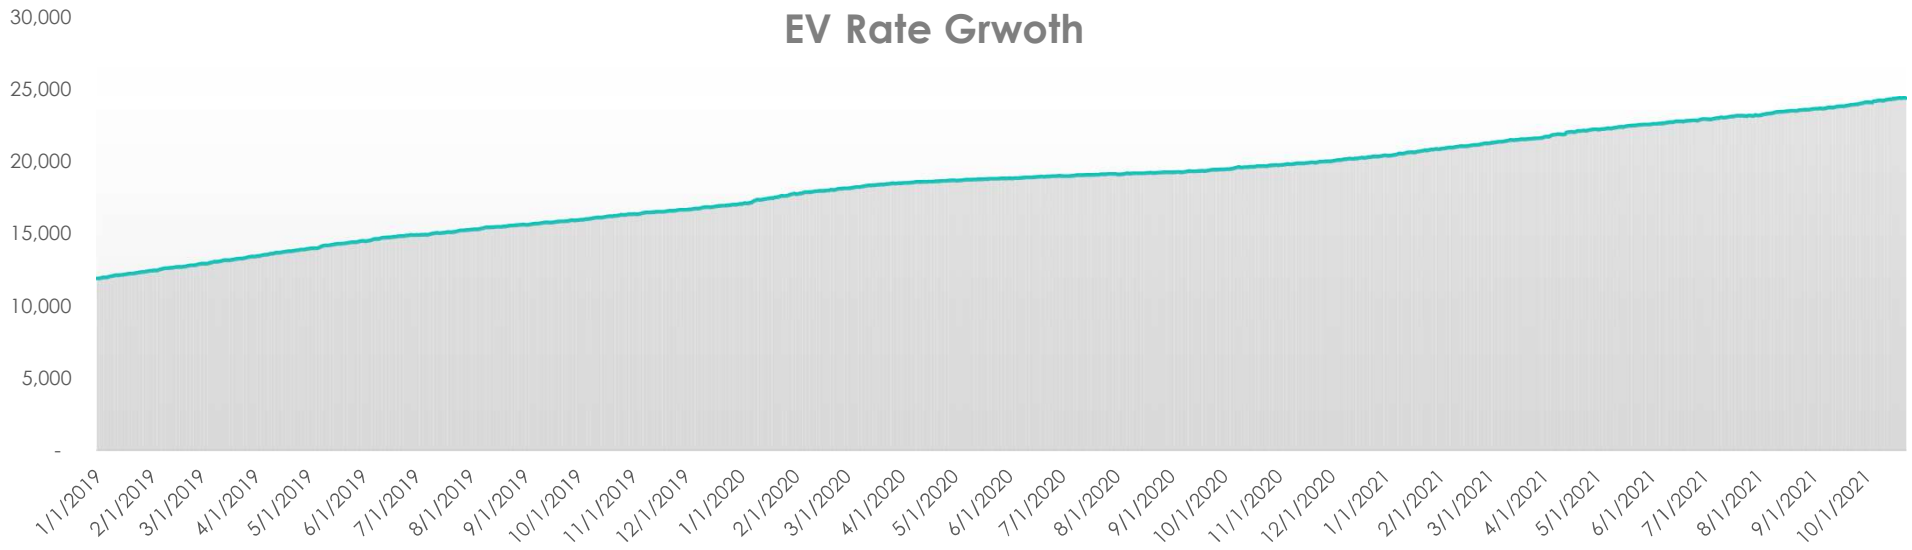
Load Research EV Work

- Joint IOU Annual EV Load Study
  i. EV Rates –EVTOU(car only), EVTOU2(Car and House) and EVTOU5 (Car and House, $16 Monthly Service Fee)
  ii. 2014-2020

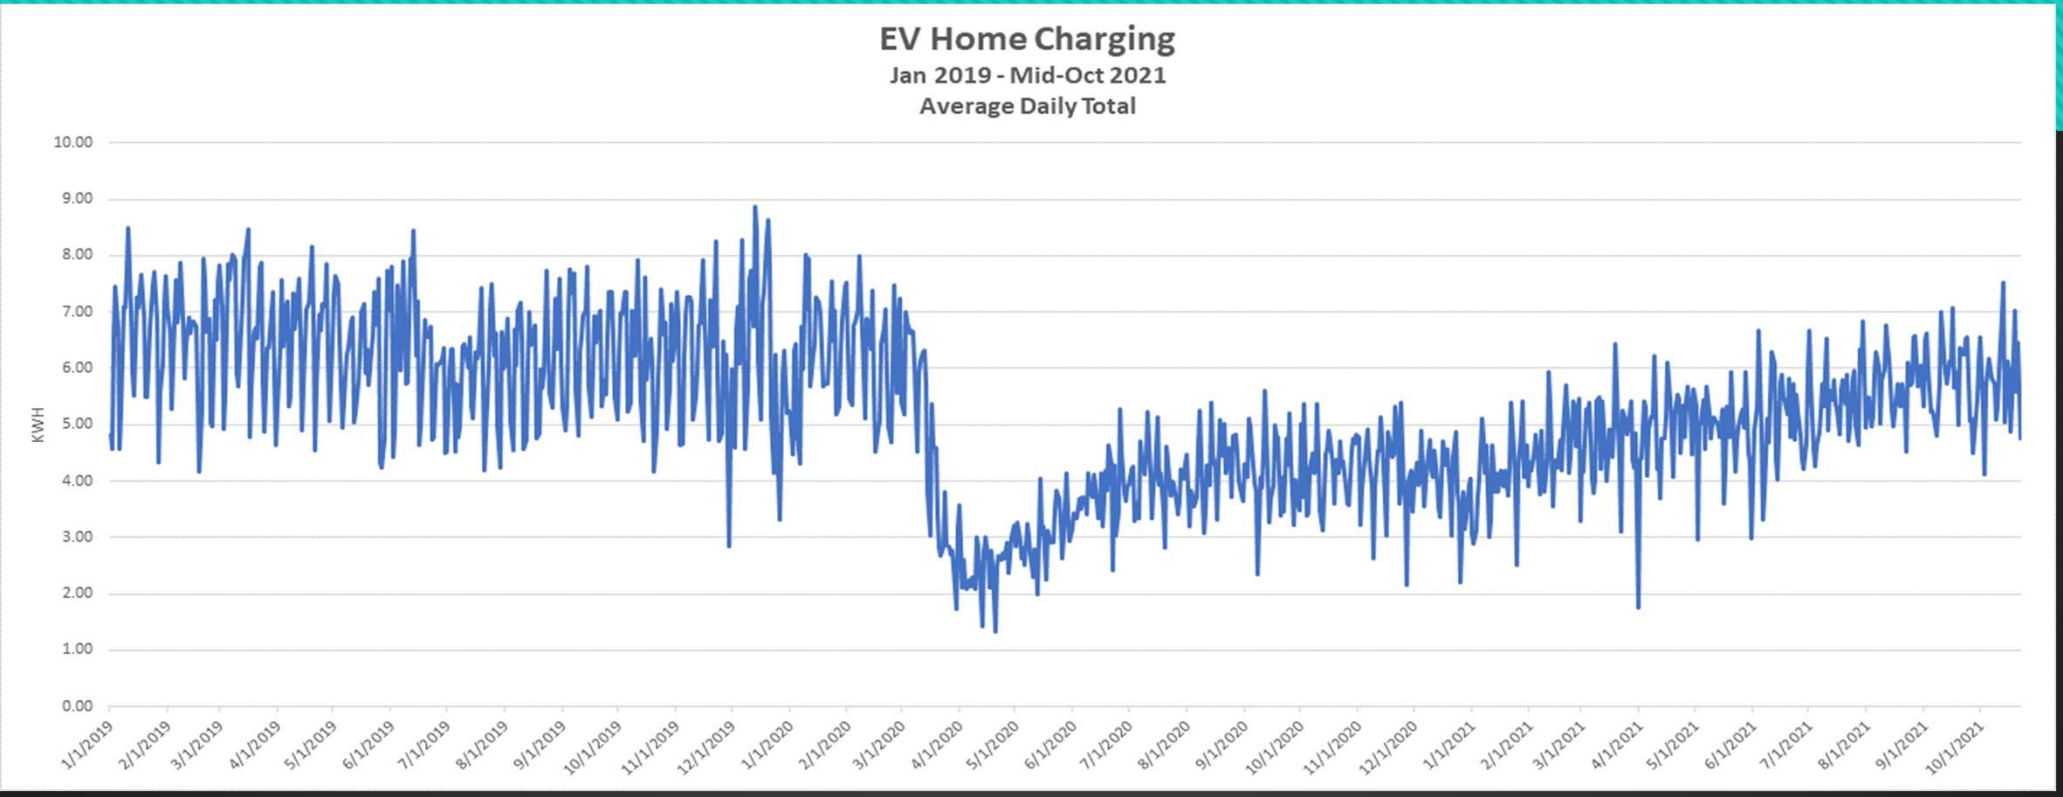
- EV Sample
  i. Left over from EV Pilot
  ii. Capital Project supplement sample in 2022

EV Growth

Only about 1/3 of EV owners are ON EV rates



Pre and Post COVID Charging Levels



Challenges

- Pairing Home and Public Charging
- Identifying EVs on non-EV Rates
- Non-Residential-/Fleet Charging
